Education

Bachelor of Technology in Computer Science

Dhanekula Institution of Engineering and Technology | 2022-2026

Intermediate

N.K.R Jr College | 2020-2022

Internship

Blackbucks Education – Full Stack Software Developer (Java) Intern

December 2025 to March 2026

- Full Stack Software Developer (Java) – Long-Term Internship
- Technologies: Java, Full Stack Development
- Completed a 16-week structured internship program with hands-on training, practical assignments, and project-based learning aligned with current industry standards.

IIDT Blackbucks AI/ML Intern

May 2025 to July 2025

- Credit Card Fraud Detection
- Technologies: Logistic Regression, Random Forest
- Built a Credit Card Fraud Detector using Logistic Regression to classify transactions as fraudulent or legitimate.

Cybersecurity Intern

June 2024 to July 2024

- Secure Password Generator
- Technologies: Python Flask, HTML, CSS, JavaScript
- Developed a Secure Password Generator that creates strong, random, and customizable passwords to enhance data protection.

Projects

Weather Forecast Web App

- Built a Weather Forecast Web App using Python, Streamlit, and OpenWeatherMap API.
- Integrated real-time weather data and 5-day forecast with API handling and validation.
- Implemented interactive metrics (temperature, humidity, wind speed) and forecast visualization using Matplotlib.
- Enhanced usability with default capital mapping (e.g., USA → Washington, US) to handle common input errors.

Mobile Usage Detection in Educational Institutions

- Python, Yolo v12, Deep Learning, Computer Vision, SMTP
- Developed a Mobile Usage Detection system for educational institutions using YOLOv12, deep learning, and computer vision with SMTP alerts for monitoring.

Skills

Programming Languages: Python, Java, C++

Web Development: HTML5, CSS3, Node.js, React.js

Databases: MySQL, MongoDB

Tools: Git, VS Code, PyCharm

Certification

- Python Foundation, Infosys SpringBoard
- Front End Development Foundation, Infosys SpringBoard
- C++ Programming, IIT Bombay Spoken Tutorial
- Introduction to MongoDB, University of MongoDB
